

Prepaid Solution

Power success in any vertical.

As a Galileo client, there's nothing you can't do with prepaid.

From GPR and payroll to healthcare and rebate/loyalty applications, Galileo delivers the experience, technology and comprehensive program management support so you can create innovative, targeted prepaid programs that empower your consumer and corporate customers.

Expand your appeal to those who may not qualify for traditional bank accounts.

The Galileo Prepaid Solution is fully integrated into our platform, exposing the full scope of our continual innovation and expansive capabilities to prepaid programs.

While some may tell you prepaid is "just" debit, our deep experience informs us differently. The many variations of prepaid require unique functionality and support.

We're experienced in every vertical.

- Commercial
- Expense Management
- Parent/Teen
- GPR
- Healthcare
- Incentive
- Insurance
- Gift
- Payroll
- Rebate & Loyalty
- Student

Prepaid for every vertical and every situation.

Do more with prepaid.

New Opportunities/ New Customers

Apply the flexibility of prepaid to create new solutions, serve niche markets and attract new customers.

New Channels/ New Revenue

Generate incremental revenue by launching new distribution channels to serve new consumer and business segments.

New Ways to Engage

Expand your appeal to those who may not qualify for traditional bank accounts.
